Dear Barb and all Stark Realtors:

On behalf of the Stoughton Food Pantry, I would like to thank you for thinking of the food pantry when determining which of the many deserving causes needing your contribution dollars. Your thoughtfulness in remembering those in need of food living within the Stoughton Area School District is greatly appreciated.

Your generosity allows us to serve the many needs of individuals and families in our community. Donations of food and personal care items can be distributed directly, while monetary gifts are used to purchase items at and many times below cost by partnering with Second Harvest Food Bank, the Dane County Food Pantry Network, Community Action Coalition and United Way of Dane County.

You enable us to continue to meet the ever-increasing demands of those who might otherwise go hungry. Thanks for thinking of those in need.

Stoughton is a better place because of caring people and businesses such as you!

Sincerely,
