About Todd's Trip:

On June 11th, Todd B. Newell of the Company's Sun Prairie branch office embarked on a mission trip to Jacmel, Haiti to provide building support for a local orphanage that is being established.

Sponsored by the "Youth With A Mission" (YWAM) organization, Todd's work involved visiting the orphanage being established to assess their current needs and to lend a hand. While there, Todd and his companion travelers helped with the construction of a kitchen and bunk beds for the new orphanage.

About Youth With A Mission:

Youth With A Mission (YWAM) is an international mission organization specializing in training, mercy ministries, and evangelism. YWAM is an interdenominational movement of Christians dedicated to sharing the truth of Jesus Christ personally to every generation all around the world. The reason we exist is to fulfill the Great Commission (Mark 16:15). Jesus told us to go into the entire world and preach the Gospel to every nation and people group and that's what we are doing. Over the last 40 years, YWAM has grown to more than 12,000 full-time staff and over 37,000 short-term workers and students annually in over 900 training centers, on every continent and in over 130 nations around the globe. The first step to reaching the nations with YWAM is attending a Discipleship Training School (DTS). For more information visit: <http://www.ywamhaiti.org/>
