COMMUNITY CLASSIC
GIVING BACK TO THE COMMUNITY

July 10, 2008

Dear Friends & Colleagues,

This year marks a milestone here at Stark Company Realtors®. We are celebrating our 100 Year Anniversary of serving the real estate needs of buyers & sellers in our community. As we celebrate, we have decided to make this a special year, a year of giving back to the community that has served us so well.

I, along with our 230 agents, management, relocation division and staff have chosen seven charities in the community to sponsor this year. In a continuing effort to raise funds for these charities, we are hosting the 2008 Stark Company Realtors® Community Classic golf outing "Giving Back to the Community", which will be on Monday, August 11 at The Bridges Golf Course, Madison. Our goal is to raise funds to evenly distribute to the following charities:

- Sunshine Place Food Pantry, Sun Prairie
- American Cancer Society, Madison
- City of Baraboo Parks, Baraboo
- Atwood Community Center, Madison
- Lussier Community Education Center, Madison
- Porchlight, Madison
- Stoughton Food Pantry, Stoughton

Sincerely,

David K. Stark, President
