ANNOUNCING THE SECOND ANNUAL
PROJECT TOASTY TOES

Hundreds of kids in the Sun Prairie school district go without boots and snow pants every year. The Toasty Toes project was created to help those families who cannot afford to purchase them.

This year we want to make this project even bigger. In celebration of the Stark Company's 100 Year Anniversary we would like to continue giving back to our community. Toasty Toes will again be teaming up with the company's Sun Prairie office as well as other local business sponsors to collect as many items as possible.

**Please donate your new or gently used
winter boots & snow pants of any size for children
K-12 at the following locations:**

**Stark Company Realtors®
